

FOR IMMEDIATE RELEASE

GOVERNOR MAPP RETURNS TO THE TERRITORY

(St. Thomas, USVI –Wednesday, July 22, 2015) Governor Kenneth E. Mapp has decided to return to the Territory earlier than planned, due to personal reasons. Governor Mapp left the territory on July 14th, to attend a meeting with the US Department of Energy Secretary, Dr. Ernest Moniz, in Washington, DC. Following the meeting the Governor traveled to and toured the NREL Laboratory (National Renewable Energy Laboratory) in Golden, Colorado, at the invitation of the Secretary of Energy.

Following the workshops at the NREL lab in Colorado, the Governor traveled to Atlanta for meetings and several media promotional events with Tourism Commissioner Designee, Beverly Nicholson-Doty. Media interviews took place with CNN and various other media outlets.

The Governor will return to the Territory this evening.
